## First Conference a Success!

AMTPA's first conference was held virtually on Thursday, September 23 with over 90 participants. There were no technical issues and the information provided was important, useful and timely. 5% of our participants completed the survey questionnaire and this will be useful in planning our annual event. Thank you to all those that provided instruction, asked questions and shared their experiences.

## VOLUNTEERS NEEDED

The next conference will be held in September 2022, hopefully in-person! We have had a few people step forward with their hand up, but we are looking for at least 2 more volunteers to organize and develop our 2022 conference. If you are interested, please email us at [amtpa2021@gmail.com](mailto:amtpa2021@gmail.com).

### Mission Statement:

To create a network of municipal property tax professionals in Alberta for collaboration and support.

## WEBINAR EDUCATION

AMTPA will be providing webinars to our membership at least 5 times in the year. Our first webinar will be held **NOVEMBER 24 AT 10AM** through MICROSOFT TEAMS.

This first webinar will be hosted by Kerry Boogaart from the City of Lethbridge.

Topics include Year End Processes, Tax Agreements and then an open discussion about the possible privatization of the provinces Land Titles Registry.

This is for members only, is free and pre-registration is required. Please email Kerry at [kerry.boogaart@lethbridge.ca](mailto:kerry.boogaart@lethbridge.ca) to register.

The next webinar will be hosted in January and will focus on the relationship between Assessment & Taxation, Notice requirements and appeal deadlines. More information will follow.

If you have a topic that you would like to see us focus on at a future webinar, please let us know at [amtpa2021@gmail.com](mailto:amtpa2021@gmail.com).
